◆ AN INTIMATE LIVING ◆

600x1200mm / Glossy

Creating A Dramatic Feel By An Extremely Dense Decoration

The inspiration for the project is the experience of authenticity achieved by re-using a variety of industrial surfaces, contemporary interior design icons, and developed through sophisticated colors for the modern home, a chromatic scale of neutral hues accompanied by brighter accents to create contrasts and enrich every space.

The Authentic Beauty Of Tiles

Our collection inspired by nature with material touches. A versa tile collection in terms of decoration, tone and format , that presents a modern and industrial look.

In addition, it's resin effect gives the pieces a strong character and personality and its pleasant texture makes it the ideal choice for any environment . Our Collection is style, it is avant-garde. It perfectly combines the beauty of the classic but is transgressive and that is, in short , what makes this collection unique and exceptional. Our stoneware uses a minimal texture and a palette of expressive and versatile colors to embody the sensory experience of architecture.

ADVANTAGE & FEATURES

Nature, technology, science and design. Top quality ceramic surfaces by Pollens Granito are compact and impermeable, because they're made from pure minerals pressed and sintered at more than 1200°C. The best choice, for durability, safety, hygiene and beauty.

Versatile Size

Available in the grand size, the collection presents you with a perfect tiling solution to create seamless interiors.

Safe & Secure

Non-porous, hygienic, stain and scratch protected, the tiles from this collection are also ice and thermal shock-resistant.

Design Varieties

Available across a spectrum of patterns, the collection offers variety for all kinds of spaces and preferences.

More Sustainable

The collection is made from exceptionally durable and recyclable material, giving it an edge with its ecological and ecofriendliness.
